

President and CEO OF  
Turkish Aerospace Industries

## **MUHARREM DORTKASLI**

MUHARREM DORTKASLI is the President and CEO OF Turkish Aerospace Industries, Inc. (TAI). He was born in Cankin in 1961 and graduated from the Mechanical Engineering Department of the Middle East Technical University in 1983.

Mr. Dortkasli started working at Turkish Aircraft Industries, Inc. (TUSAS), in 1991 as Program Control Office Leader, continued as Deputy General Manager from June 1997 to March 2003 and was promoted as the General Manager in March 2003, where he served in that position until the dissolution of the company.

Mr. Dortkasli, who is a member of the Board of Defence Industry Manufacturers Organization (SaSaD), is also the Vice Chairman of the Turkish-US Business Council of DEIK and Head of the Defense-Security Commission.
